

# AMERICAN A WAR VICTIM.

---

**Dr. Donnelly, Head of a Hospital in  
Serbia, Dies of Epidemic.**

Special Cable to THE NEW YORK TIMES.

LONDON, Saturday, March 13.—A Daily Telegraph correspondent, in a mail dispatch from Nish, dated Feb. 22, mentions the death from an epidemic disease, of Dr. Donnelly, chief of the American Hospital at Geygelija, Serbia, near the Greek frontier.
